## European Veterinary Students Seminar

### What is the EVSS?

The EVSS is a new IVSA event aimed at veterinary students from EU member states. It's a 4-day seminar dedicated to EU-related veterinary issues. The first edition will explore the theme "United by our challenges, strengthened in our solutions", with lectures and workshops on a wide range of topics such as puppy mills, the abolishment of the milk quatum, doping in equine sports and leadership skills.

Furthermore, there will be plenty of opportunity to discover Utrecht and bond with fellow vet students over a drink! Join the EVSS flock!
